This information contained in this presentation is not to be construed as an offer to sell or a solicitation or an offer to buy commodity futures or options. The factual information herein has been obtained from sources believed to be reliable, but is not necessarily all-inclusive and is not guaranteed as to the accuracy. Futures trading involves the substantial risk of loss and is not suitable for all investors. Each investor must consider whether this is a suitable investment since you may lose all of or more than your initial investment. Past performance is not indicative of future results.
